

Hampshire FRS - Clothes Recycling Performance Report - Cumulative Totals - 2010-2021

Clothes recycling for The Fire Fighters Charity has enjoyed over 10 years of continued growth, generating **£4.6million across the UK** (up to March 2021), re-diverting over **26,000 tonnes** of unwanted clothing away from landfill.

Hampshire FRS has supported us by collecting over **469 tonnes** of clothing for re-sell, re-use or recycled since **2010**. Table 1 highlights the total income generated and total weight collected, since the clothing bank was first placed at the fire station. Thank you for your contribution of **£93,183** ... totally amazing!

Table 1 – Hampshire FRS - Cumulative Recycling Performance – 2010-2021

Fire Station	Bank Placed	TOTAL Amount (£)	TOTAL Weight (Tonnes)
Alresford Fire Station	2012-2014 only	£182	0.88
Andover Fire Station	2012	£3,069	15.03
Basingstoke Fire Station	2011	£1,377	6.37
Bishops Waltham Fire Station	2012	£3,762	18.57
Bordon Fire Station	2011	£3,911	19.84
Botley Fire Station	2012	£2,850	14.09
Cosham Fire Station	2010	£2,598	13.54
Droxford Fire Station	2012	£4,264	20.76
Eastleigh Fire Station	2010	£6,480	33.16
Fareham Fire Station	2010	£3,165	17.02
Fleet Fire Station	2012	£2,259	11.12
Gosport Fire Station	2010	£4,308	22.92
Hamble Fire Station	2014	£5,786	29.55
Hampshire FRS HQ	2019	£44	0.20

Fire Station (cont'd)	Bank Placed	TOTAL Amount (£)	TOTAL Weight (Tonnes)
Havant Fire Station	2013	£3,650	17.68
Hayling Island Fire Station	2013	£1,803	9.14

Winchester Fire Station	2012	£3,545	17.53
TOTAL	2010-2021	£93,183	469.32

We want to highlight on each fire station how their clothes recycling banks have performed to demonstrate to supporters and our fire station crews how well they are doing.

We have a poster that will be placed on each fire station clothing bank to display this and, also provide a QR code to find out more about our clothes recycling scheme which contribute to funding the work of Charity and other ways to support us.

Thank you for your support, we appreciate it!

Kevin Biles

Addendum

Clothes Recycling performance charts by income (£) and weight (tonnes).

Chart 1 – Hampshire FRS - Cumulative Clothes Recycling Income – 2010-2021

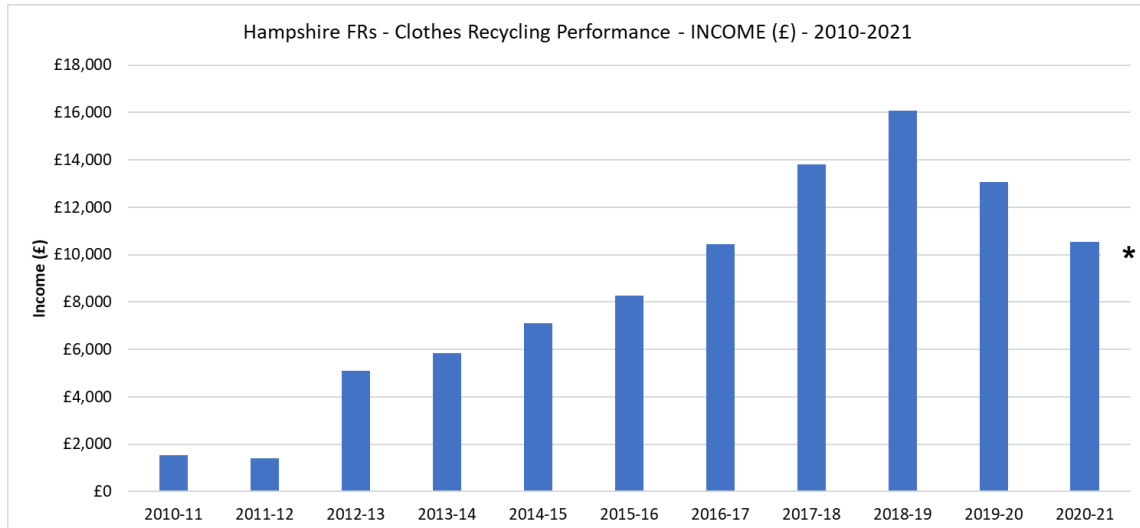

Chart 2 – Hampshire FRS - Cumulative Clothes Recycling Income – 2010-2021

*** Please note:** 2020-21 Income shows a reduction due to a price drop during the Covid lockdown. The weights during this same time increased, mainly due to charity shops being closed and people using our clothing banks instead. As from Sept 2021, our prices are back up to their usual rate.
